Filing Description:
This is a PPACA Dental Filing.

Enclosed for your review and approval are new Dentegra Insurance Company small group dental rates.

This is an initial rate filing and will be used when our Dental PPO product is sold direct or by a partnership relationship to small groups outside the Colorado Health Benefit Exchange. The forms associated with this rate filing are listed in the Forms Schedule Tab and will be filed in SERFF Filing Number DDPA-129066075. These products will use the Dentegra Dental networks.

These plans provide the coverage for: the pediatric oral services required by the essential health benefits (‘EHB’) provisions; and for adult dental services (‘Sup’) required by the Affordable Care Act (‘ACA’):

• Small Group/SHOP Pediatric and Supplemental High and Low Plans

Our effective date for use of these rates will be October 2013 for coverage effective January 1, 2014, provided the filing has been approved by or deemed approved by your Department.

Thank you for your attention to this filing. If you should need any additional information or have any questions, please do not hesitate to contact me.

Rate Implementation Summary
Effective Date of New Rate Implementation: 1/1/2014 through 12/31/2014
This is a new Filing for 2014 Standalone Dental plans, there is no rate change involved with this filing.

The purpose of this rate filing is to establish new product rates for standalone dental plans that are reasonable relative to the benefits provided and to demonstrate compliance with state laws and provisions of the Exchange if applicable.

Off Exchange Only Plans
Child Only Pediatric: 2 plans (High AV Plan, Low AV Plan)
Other Adult Plans: 2 plans (Preferred and Basic)

Rate Methodology
Experience Used for Rate Setting: Dentegra Dental business.

2012 Experience Period Loss Ratio: 65.3% based on 38,308 members enrolled on National Dental Business with $24.5 Million in premium.

Annual Dental Cost Trends: 4%.

Premium Retained to Cover Expenses, Taxes Fees and Profits

Administrative costs: Expenses the insurance company pays to operate this insurance plan. This includes all expenses not directly related to paying claims, such as, but not limited to, salaries of company employees, the cost of the company's offices and equipment, commissions to agents to sell and service policies, subsidies to cover legally required plans such as portability, and taxes.

Profit: The amount of money remaining after claims and administrative expenses are paid. Margin is the comparable term for a nonprofit insurance company.

Total 31.4% premium retained for the High AV plan, and 28.9% for the Low AV plan, shown as follows:
Admin Expenses: 15.0%
Commissions: 7.5%
Risk Margin: 3.5% for High Av plan, and 1.0% for Low AV plan.
Premium Tax: 2.0%
PPACA Fees and Taxes: 2.0%
Exchange User Fee: 1.4%

The expected loss ratios for 2014 are:
High Ped. Av Plan: 68.6%
Low Ped. AV Plan: 71.1%
Adult Plans: 68.6%

Division Objections and Rate Changes During the Review Process
The Division objected to Dentegra retaining 3.5% of premium for the exchange user fee. The plan agreed to reduce that to 1.4%.

The Division objected to Dentegra retaining 2.5% of premium for the state premium tax. The plan agreed to reduce that to 2.0%.

The Division objected to Dentegra failing to support their retention of 19.0% of premium for their general expenses. The plan agreed to reduce that to 15%.

Final Rate Filing Disposition
The Division has filed the rates in their final form after all adjustments.

Dear Shelly Williams (Dentegra),

Introduction:

This filing has been received, but before further action can be taken, please address the following:

Objection 1

- Actuarial Memorandum (Supporting Document)

Comments: Hi Shelly,

I just left you a message a little while ago regarding the dental filings for Dentegra Insurance Company. At the bottom of both Act Memos there is an Attachment A, we need you to have this as a separate PDF file and submit it to the Rate/Rules Schedule tab. We also need you to have the most current information on the Rate/Rules tab, there is information from 7/23 currently on the tab while in the supporting documents tab the newest submissions are from 7/30

Conclusion:

If any of the requested rate information results in changes to the filing forms (HR-1 or A, B, C or D), please also submit revised forms.

Sincerely,

Scott Campbell

Dear Shelly Williams (Dentegra),

Introduction:

This filing has been received, but before further action can be taken, please address the following:

Objection 1

- Actuarial Memorandum (Supporting Document)

Comments: In the prior objection you were requested to provide complete actuarial support for how your administrative expenses were developed, and in prior objections from Cathy Gilliland you were directed that you must provide support for each retention component.

Your 19.0% admin expense (general expense) level is at the high end of all dental issuers, is not supported in your actuarial memorandum. This level of retention appears to be somewhat excessive as to what is typically being proposed by dental issuers with similar products.

The Division does not accept the 19% general expense level given the lack of support for this item.

Please provide the full actuarial development and support for how the 19.0% admin load was set.

I have requested Cathy Gilliland to arrange a tentative meeting to discuss on Monday afternoon July 29th. Please contact Cathy with in the Colorado DORA office regarding this meeting request.

Conclusion:

If any of the requested rate information results in changes to the filing forms (HR-1 or A, B, C or D), please also submit revised forms.

Colorado Insurance Regulation 1-1-8 requires that every person shall provide a complete response in writing to any inquiry from the Division of Insurance. This reply must be submitted by 07/29/2013, which is within 2 calendar days from the date of this correspondence.

Failure to provide a full or complete response may result in the imposition of a $500 fine under Colorado Insurance Regulation 1-1-8 and applicable surcharge pursuant to §24-34-108(2), C.R.S. This surcharge will be used to fund the development, implementation and maintenance of a consumer outreach and education program. Pursuant to Section 6 of Colorado Insurance Regulation 1-1-8, and after notice and hearing, additional sanctions may be sought under C.R.S. 10-1-215 and other fining and penalty provisions of Title 10.

Sincerely,
Michael Muldoon

Dear Shelly Williams (Dentegra),

Introduction:

This filing has been received, but before further action can be taken, please address the following:

Objection 1

- Actuarial Memorandum (Supporting Document)

Comments: In our prior objection we directed you that the 3.5% load for Exchange user fees was invalid. The division does not accept the revisions made. We also indicated that the 2.5% premium tax should be 2.0%. It appears that you moved 2.6% from these two categories into the admin category. Please remove this 2.6% from your admin category and revise your rates to reflect this. Overall retention should have been reduced by 2.6%. Please provide support for the administrative retention component.

Conclusion:

Colorado Insurance Regulation 1-1-8 requires that every person shall provide a complete response in writing to any inquiry from the Division of Insurance. This reply must be submitted by 07/26/2013, which is within 1 calendar days from the date of this correspondence. If additional time is required to provide a complete response, including any documentation which is requested, a request for an extension of time must be submitted by 07/26/2013.

The request for an extension of time must state the reason for such request and the number of additional days required to provide a complete response. Requests for additional time will be granted for good cause shown and for a reasonable period at the discretion of the Division. Requests for an extension of time must be submitted through SERFF.

Failure to provide a full or complete response, or to request an extension for a specified period, will result in the rate filing being DISAPPROVED on the basis that the rate filing is incomplete, pursuant to §10-16-107(1.6)(a)(V), C.R.S. Proposed rates may not be used in any manner until an adequate response to this objection has been received and the above referenced rate filing has been approved by the Division.

Sincerely,
Nichole Boggess

Dear Shelly Williams (Dentegra),

Introduction:

This filing has been received, but before further action can be taken, please address the following:

Objection 1

Comments: Objection 1: (Regulation HB 1245 indicates lives insured under dental plans will have user fees that must not exceed $0.18 PMPM) The Exchange user fees of $1.80 pmpm for Medical and $0.18 pmpm dental are not being applied for 2014. These fees will not be included in premium going forward. They are directly collected by the Exchange starting 2015. Please refer to COHBE for information. Please remove the $0.18pmpm from rates and any illustrations.

Conclusion:

Colorado Insurance Regulation 1-1-8 requires that every person shall provide a complete response in writing to any inquiry from the Division of Insurance. Dear Shelly Williams (Dentegra),

Introduction:

This filing has been received, but before further action can be taken, please address the following:

Objection 1

Comments: You indicate that you are building in 3.5% premium retention to cover the Exchange User Fee, and note FFM guidance.
In Colorado, which is a State Based Exchange, the COHBE Exchange User Fee is 1.4%. Please clarify.

Please verify that the 2.0% PPACA Fee load is for the Health Insurer Fee. Please show how the 2.0% was developed.

Please clarify what state the 2.5% premium tax applies to, in Colorado Issuers are typically at 2.0% premium tax.

Please clarify what the $0.18 pmpm User Fee in Administrative Expenses is for.

Objection 2

- Actuarial Memorandum (Supporting Document)
Comments:
Please provide the actuarial analysis for how area factors were set.
Note that Mineral County is now defined to be in area 10 under the Colorado area definitions.

Objection 3

- Actuarial Memorandum (Supporting Document)
Comments: Please provide the actuarial value calculations for the pediatric dental High and pediatric dental Low plans. Indicate the method and tools/data used to calculate AVs.

Conclusion:

If any of the requested rate information results in changes to the filing forms (HR-1 or A, B, C or D), please also submit revised forms.

Colorado Insurance Regulation 1-1-8 requires that every person shall provide a complete response in writing to any inquiry from the Division of Insurance. This reply must be submitted by 07/19/2013, which is within 5 calendar days from the date of this correspondence.

Failure to provide a full or complete response may result in the imposition of a $500 fine under Colorado Insurance Regulation 1-1-8 and applicable surcharge pursuant to §24-34-108(2), C.R.S. Introduction:

This filing has been received, but before further action can be taken, please address the following:

Objection 1

- Actuarial Memorandum (Supporting Document)

Comments: Regulation 4-2-11 section 6 (H) Retention Percentage: The actuarial memorandum must list and adequately support each specific component of the retention percentage. The support for a health benefit plan must include a comparison of the most recent levels experienced for each component as shown in the plan's financial statements, with an explanation for any variations between retention loads used and actual experience for each component.

a. If the product was not initially priced using a lifetime loss ratio standard, the retention percentage is equal to the sum of all non-claim components of the rate including investment income from unearned premium reserves, contract or policy reserves, reserves from incurred losses, and reserves from incurred but not reported losses.

b. If the product was initially priced using a lifetime loss ratio standard, the retention percentage is equal to 1 minus the lifetime loss ratio.

Each of these specific components must be expressed as a percentage of the earned premium, and should sum to the total carrier retention percentage. Each component should reflect the average assumption used in pricing. Ranges for each assumption and flat dollar amounts are not permitted. The component for profit/contingencies should reflect the target load for profit and contingencies, and not the expected results or operating margin

Objection 2

- Actuarial Memorandum (Supporting Document)

Comments: Regulation 4-2-11 section 6 (N) Data Requirements: The memorandum must, at a minimum, include earned premium, incurred claims, actual benefits ratio, number of claims, average covered lives and number of policyholders submitted on a Colorado-only basis for at least 3 years.

1. Pharmacy claims data for health benefit plans or an applicable plan that pays on an expense basis should also be shown separately for incurred claims, actual benefits ratio, number of claims, average covered lives and number of policyholders.

actual benefit ratio is missing

Objection 3

- Actuarial Memorandum (Supporting Document)

Comments: Regulation 4-2-11 section 6 (A) List of Policy/Rider forms are not listed

Conclusion:

Colorado Insurance Regulation 1-1-8 requires that every person shall provide a complete response in writing to any inquiry from the Division of Insurance. This reply must be submitted by 07/04/2013, which is within 4 calendar days from the date of this correspondence. If additional time is required to provide a complete response, including any documentation which is requested, a request for an extension of time must be submitted by 07/04/2013.

The request for an extension of time must state the reason for such request and the number of additional days required to provide a complete response. Requests for additional time will be granted for good cause shown and for a reasonable period at the discretion of the Division. Requests for an extension of time must be submitted through SERFF.

Failure to provide a full or complete response, or to request an extension for a specified period, may result in the imposition of a $500 fine under Colorado Insurance Regulation 1-1-8 and applicable surcharge pursuant to §24-34-108(2), C.R.S. This surcharge will be used to fund the development, implementation and maintenance of a consumer outreach and education program. Pursuant to Section 6 of Colorado Insurance Regulation 1-1-8, and after notice and hearing, additional sanctions may be sought under C.R.S. 10-1-215 and other fining and penalty provisions of Title 10.

Sincerely,
Cathy Gilliland

Comments: Hi Shelly,
I just left you a message a little while ago regarding the dental filings for Dentegra Insurance Company. At the bottom of both Act Memos there is an Attachment A, we need you to have this as a separate PDF file and submit it to the Rate/Rules Schedule tab. We also need you to have the most current information on the Rate/Rules tab, there is information from 7/23 currently on the tab while in the supporting documents tab the newest submissions are from 7/30

Dear Cathy Gilliland,

Introduction:

Response 1

Comments:

The administrative expenses have been reduced to 15% consisting of Acquisition & Services at 7%, General Overhead at 4%, and Claims Processing at 4%. The actuarial memorandums have been revised.

Related Objection 1

Applies To:

- Actuarial Memorandum (Supporting Document)

Comments: In the prior objection you were requested to provide complete actuarial support for how your administrative expenses were developed, and in prior objections from Cathy Gilliland you were directed that you must provide support for each retention component.

Your 19.0% admin expense (general expense) level is at the high end of all dental issuers, is not supported in your actuarial memorandum. This level of retention appears to be somewhat excessive as to what is typically being proposed by dental issuers with similar products.

The Division does not accept the 19% general expense level given the lack of support for this item.

Please provide the full actuarial development and support for how the 19.0% admin load was set.

I have requested Cathy Gilliland to arrange a tentative meeting to discuss on Monday afternoon July 29th. Please contact Cathy with in the Colorado DORA office regarding this meeting request.

Comments: In our prior objection we directed you that the 3.5% load for Exchange user fees was invalid. The division does not accept the revisions made. We also indicated that the 2.5% premium tax should be 2.0%. It appears that you moved 2.6% from these two categories into the admin category. Please remove this 2.6% from your admin category and revise your rates to reflect this. Overall retention should have been reduced by 2.6%. Please provide support for the administrative retention component.

Comments:	*Please find the attached Actuarial Memorandums for 1) OPGC-CO-DIC and 2) OXGC-CO-DIC along with the rating manual exhibits and supporting documentation.* *Please note I had to save the Supporting Documentation Dentegra CO PPO Pediatric and Supplemental Excel spreadsheets in an earlier version of Excel (Excel 97-2003). The newer Excel version "xlsx" opens as a WinZip file in SERFF, and I was concerned the filing might get rejected because CO wants certain information in Excel format (i.e. rating period, rate history, trend, etc). My apologies for any confusion this may cause.*

Dear Cathy Gilliland,

Introduction:

Response 1

Comments:

Please see the revised Actuarial Memorandums.

Related Objection 1

Comments: Objection 1: (Regulation HB 1245 indicates lives insured under dental plans will have user fees that must not exceed $0.18 PMPM) The Exchange user fees of $1.80 pmpm for Medical and $0.18 pmpm dental are not being applied for 2014. These fees will not be included in premium going forward. They are directly collected by the Exchange starting 2015. Please refer to COHBE for information. Please remove the $0.18pmpm from rates and any illustrations.

Response Letter

Response Letter Status	Submitted to State
Response Letter Date	07/19/2013
Submitted Date	07/19/2013

Dear Cathy Gilliland,

Introduction:

Response 1

Comments:

The actuarial memorandums have been revised to show 1.4% Exchange User Fee.

Dentegra has relied upon analysis from Oliver Wyman in the development of the 2% PPACA tax allocation. Based on these reviews, for-profit entities are assumed to have a 2% PPACA tax, and not-for-profit entities are assumed to be half of the for-profit as disclosed in the PPACA Act.

The actuarial memorandums have been revised to show 2.0% the premium tax.

Regulation HB 1245 indicates lives insured under dental plans will have user fees that must not exceed $0.18 PMPM.

Related Objection 1

Comments: You indicate that you are building in 3.5% premium retention to cover the Exchange User Fee, and note FFM guidance. In Colorado, which is a State Based Exchange, the COHBE Exchange User Fee is 1.4%. Please clarify.

Please verify that the 2.0% PPACA Fee load is for the Health Insurer Fee. Please show how the 2.0% was developed.

Please clarify what state the 2.5% premium tax applies to, in Colorado Issuers are typically at 2.0% premium tax.

Please clarify what the $0.18 pmpm User Fee in Administrative Expenses is for.

Response 2

Comments:

Please consider the following information requested proprietary and confidential, and we are requesting that this be considered under the Vaughn Index.

Identification of Documents: CO Area Factor Calculation data and justification 2013 07 17 CONFIDENTIAL.xlsx

Statutory Law requesting exemption of: Applicable Colorado State Insurance Laws regarding disclosure of information for rate filings

Reason for how disclosure may damage the interests of Delta Dental: This information provides sufficient information to determine Delta market share by Zipcode or by county. In addition, this information provides the area factors used to develop the differentials between regions. Should this be acquired by our competitors, our competitors may be able to exploit the area factors and game the market.

The Manual Rate Exhibit IV has been revised.

Related Objection 2

Applies To:

- Actuarial Memorandum (Supporting Document)

Comments:

Please provide the actuarial analysis for how area factors were set.
Note that Mineral County is now defined to be in area 10 under the Colorado area definitions.

Response 3

Comments:

A baseline actuarial value was developed using national child utilization patterns, national average approved amounts, EHB list of covered procedures, and assumed coverage levels. Per member per month base rate was calculated using the manual rate formula and the same coverage assumptions used to calculate baseline actuarial value. Total per member per month cost was determined by dividing the base rate by the baseline actuarial value. Factors for the various cost sharing elements were applied to determine final actuarial value.

The actuarial value for the pediatric low dental plan is 71.8% and pediatric dental high plan is 84.2%. Both meet the +/- 2% requirement from the standard 70% (low) and 85% (high).

% of Total Cost	Pediatric High	Pediatric Low
D & P 48%	100%	100%
Basic 27%	80%	50%
Major 24%	50%	50%
Coinsurance based AV	82.4%	74.2%
Impact of OOP Max per Child - $700	3.5%	4.8%
Impact of OOP Max multi Child - $1,400	0.5%	0.4%
Impact of Medically Necessary Ortho	0.1%	0.7%
Impact of Deductible	-2.3%	-8.3%
Final AV	84.2%	71.8%

Please see the Response Memorandum in the Supporting Documentation tab, where the table is better outlined and easier to understand.

Response Letter Status	Submitted to State
Response Letter Date	07/02/2013
Submitted Date	07/02/2013

Dear Cathy Gilliland,

Introduction:

Response 1

Comments:

The Actuarial Memorandums have been revised.

Related Objection 1

Applies To:

- Actuarial Memorandum (Supporting Document)

Comments: Regulation 4-2-11 section 6 (H) Retention Percentage: The actuarial memorandum must list and adequately support each specific component of the retention percentage. The support for a health benefit plan must include a comparison of the most recent levels experienced for each component as shown in the plan's financial statements, with an explanation for any variations between retention loads used and actual experience for each component.
a. If the product was not initially priced using a lifetime loss ratio standard, the retention percentage is equal to the sum of all non-claim components of the rate including investment income from unearned premium reserves, contract or policy reserves, reserves from incurred losses, and reserves from incurred but not reported losses.
b. If the product was initially priced using a lifetime loss ratio standard, the retention percentage is equal to 1 minus the lifetime loss ratio.
Each of these specific components must be expressed as a percentage of the earned premium, and should sum to the total carrier retention percentage. Each component should reflect the average assumption used in pricing. Ranges for each assumption and flat dollar amounts are not permitted. The component for profit/contingencies should reflect the target load for profit and contingencies, and not the expected results or operating margin

Response 2

Comments:

The Actuarial Memorandums have been revised.

Related Objection 2

Applies To:

- Actuarial Memorandum (Supporting Document)

Comments: Regulation 4-2-11 section 6 (N) Data Requirements: The memorandum must, at a minimum, include earned premium, incurred claims, actual benefits ratio, number of claims, average covered lives and number of policyholders submitted on a Colorado-only basis for at least 3 years.
1. Pharmacy claims data for health benefit plans or an applicable plan that pays on an expense basis should also be shown separately for incurred claims, actual benefits ratio, number of claims, average covered lives and number of policyholders.
actual benefit ratio is missing

Applies To:

- Actuarial Memorandum (Supporting Document)

Comments: Regulation 4-2-11 section 6 (H) Each of these specific components must be expressed as a percentage of the earned premium, and should sum to the total carrier retention percentage. Each component should reflect the average assumption used in pricing. Ranges for each assumption and flat dollar amounts are not permitted. The component for profit/contingencies should reflect the target load for profit and contingencies, and not the expected results or operating margin.

Change in Form Numbers

Comments:

Hello,

Dentegra received objection letters regarding its Colorado forms filings. The forms had to be revised to comply with 10-16-737, CRS and Regulation 4-2-34. As a result, the form numbers changed. Please see the Form Schedule tab for more information. Please note that SERFF does not allow users to delete form information on the Form Schedule tab. For those forms no longer part of this filing, you will se the notation "Deleted Form".

The Actuarial Memorandums have been updated to include the new form numbers (page 1, Summary, Section 6).

Thank you.

Exhibit VIII

Waiting Period Credit

Waiting Period Credit =
[(Cost_per_User_Prosth x M x Prosth Coinsurance +
Cost_Per_User_Crowns x N x Crown Coinsurance) x
Wait_Fact x Trend x Area_Fact / (Misc_Dent_Fact)]
x Util / 12

Note
See Exhibit II for miscellaneous factors.

Exhibit IX(a)

Maximum & Deductible Credits

Deductible Credit Calculation

	Description	Formula
(1)	Ded Lower Limit	0 if D&P not exempt; otherwise: (Diag_Cost_per_User + Prev_Cost_per_User) / (Stabilization)
(2)	Ded Upper Limit	(1) + Deductible / (State_Fact x Area_Fact x Trend)
(3)	% Ded Lower	0 if D&P not exempt; otherwise: [(1) - (next cost bracket<(1) from Category 1 Table)] / (diff between cost bracket>(1) and cost bracket<(1))
(4)	% Ded Upper	0 if D&P not exempt; otherwise: [(2) - (next cost bracket<(2) from Category 1 Table)] / (diff between cost bracket>(2) and cost bracket<(2))
(5)	Freq Ded Lower	Actual number of cases for (1) from Category 1 Table (interpolated value using (3))
(6)	Freq Ded Upper	Actual number of cases for (2) from Category 1 Table (interpolated value using (4))
(7)	Amount Ded Lower	Actual approved amount for (1) from Category 1 Table (interpolated value using (3))
(8)	Amount Ded Upper	Actual approved amount for (2) from Category 1 Table (interpolated value using (4))
(9)	Ded Credit	[(8) - (7) - (2)x(6) + (1)x(5)] / (17) + (2) - (1)
(10)	Ded Credit with Factors	(9) x Trend x Area_Fact x State_Fact
(11)	Ded Credit with Coinsur	(10) x (Simple Restoration Coins x Rest_Usage + Other Basic Coins x OtherBasic_Usage) x Stabilization x Util
	Monthly Ded Credit	(11) / 12

Maximum Credit Calculation

	Description	Formula
(12)	Max Limit	(Diag_Cost_per_User + Prev_Cost_per_User) x (1 - DiagCoinsur/(21)) + [Max + (11) / (Stabilization x Util) + (Prosth_Cost_per_User x Prosth Coinsur x M + Crown_Cost_per_User x Crown Coinsur x N) / (Stabilization x Misc_Dent_Fact) x Trend x Wait_Fact] / (21)
(13)	Max Limit '93	(12) / (State_Fact x Area_Fact x Trend)
(14)	% Max Limit '93	0 if maximum=0; otherwise: [(13) - (next cost bracket<(13) from Category 1 Table)] / (diff between cost bracket>(13) and cost bracket<(13))
(15)	# Max Limit '93	Actual number of cases for (13) from Category 1 Table (interpolated value using (14))
(16)	$ Max Limit '93	Actual approved amount for (13) from Category 1 Table (interpolated value using (14))
(17)	Total No. Cases	Constant from Category 1 Table
(18)	Total Amt Approved	Constant from Category 1 Table
(19)	Est Amt Given Max	0 if maximum=0; otherwise: (16) + (13) x [(17) - (15)]
(20)	Max Credit	0 if (18)<(19); otherwise: [(18) - (19)] / (17) x Max_Credit_Adj
(21)	Major Service Coinsur	[OtherBasic_Coinsur x Basic_Util + Crown_Coinsur x Crown_Util + Prosth_Coinsur x Prosth_Util] / (Basic_Util+Crown_Util+Prosth_Util)
(22)	Adj Max Credit	(20) x (21) x Trend x Area_Fact x State_Fact
	Monthly Max Credit	[(22) x Stabilization x Util] / 12

PROJECTED EXPERIENCE FOR RATING PERIOD (SMALL GROUP)

	Premiums	Incurred Claims	Benefits Ratio
Projected Experience Without Rate Change	$32,532.78	$20,380.74	71.46% (high), 74.06% (low)
Projected Experience With Rate Change	Not applicable		

Above projections include: Colorado

O. Other Factors

Manual rates are adjusted by region. Fee data by geographic regions was used to determine area adjustments by zip code. A weighted average based on 2012 incidence by zip code was used to map zip codes to defined regions.

Loss ratios are expected to be consistent over time. As a result, there are no lapse assumptions.

(See Supporting Documentation)

P. Actuarial Certification

I, Thomas J. Leibowitz, FSA, MAAA, am a member of the American Academy of Actuaries, and meet the Academy Qualification Standard for rendering this Opinion.

I have reviewed the actuarial assumptions and methods on which the rates and actuarial values are based. I hereby certify that to the best of my knowledge and judgment, this rate filing is in compliance with the applicable laws and regulations of the state of Colorado and complies with Actuarial Standard of Practice No. 8. The rates shown are

- Based on actuarially sound principles
- Are not inadequate, excessive or unfairly discriminatory, and

• Are reasonable in relation to the benefits provided.

J. Trend

The total annualized trend rate is 4% (see Supporting Documentation).

K. Credibility

1. Credibility Percentage:	Not applicable
2. Number of years of data used to calculate above credibility percentage:	Not applicable
3. Discuss how and if aggregated data meets the Colorado credibility requirement and how the rating methodology was modified for the partially credible data, if applicable:	Not applicable

(see Supporting Documentation)

L. Data Requirements

COLORADO DATA

Based on Regulation 4-2-11 Section 6 L, “if the filing is to introduce a new product to Colorado, nationwide experience must be provided for this product.” Therefore, not applicable since this is a new plan offering.

OTHER DATA (NATIONWIDE EXPERIENCE)

Year	Earned Premium	Incurred Claims	Total Estimated Incurred Claims	Estimated IBNR Claims	Actual Benefits Ratio	Average Covered Groups	Number of Claims
2010	$26,281,040	$18,634,994	$17,052,094	$1,582,900	70.90%	3,277	147,553

Above data is for:	Comparable Product, National
Experience Period:	From 01/01/2010 to 12/31/2012
Additional Information:	Pharmacy claims data or an applicable plan, see above

M. Side-by-Side Comparison

Not applicable since this is a new plan offering.

N. Benefits Ratio Projections

PROJECTED EXPERIENCE FOR RATING PERIOD (SMALL GROUP)

	Premiums	Incurred Claims	Benefits Ratio
Projected Experience Without Rate Change	$32,532.78	$20,380.74	71.46% (high), 74.06% (low)
Projected Experience With Rate Change	Not applicable		

Above projections include: Colorado

O. Other Factors

Manual rates are adjusted by region. Fee data by geographic regions was used to determine area adjustments by zip code. A weighted average based on 2012 incidence by zip code was used to map zip codes to defined regions.

Loss ratios are expected to be consistent over time. As a result, there are no lapse assumptions.

(See Supporting Documentation)

P. Actuarial Certification

I, Thomas J. Leibowitz, FSA, MAAA, am a member of the American Academy of Actuaries, and meet the Academy Qualification Standard for rendering this Opinion.

I have reviewed the actuarial assumptions and methods on which the rates and actuarial values are based. I hereby certify that to the best of my knowledge and judgment, this rate filing is in compliance with the applicable laws and regulations of the state of Colorado and complies with Actuarial Standard of Practice No. 8. The rates shown are

- Based on actuarially sound principles
- Are not inadequate, excessive or unfairly discriminatory, and

• Are reasonable in relation to the benefits provided.

Please note I had to save the Supporting Documentation Dentegra CO PPO Pediatric and Supplemental Excel spreadsheets in an earlier version of Excel (Excel 97-2003). The newer Excel version "xlsx" opens as a WinZip file in SERFF, and I was concerned the filing might get rejected because CO wants certain information in Excel format (i.e. rating period, rate history, trend, etc). My apologies for any confusion this may cause.

N. Benefits Ratio Projections

PROJECTED EXPERIENCE FOR RATING PERIOD (SMALL GROUP)

	Premiums	Incurred Claims	Benefits Ratio
Projected Experience Without Rate Change	$32,532.78	$20,380.74	71.46% (high), 74.06% (low)
Projected Experience With Rate Change	Not applicable		

Above projections include: Colorado

O. Other Factors

Manual rates are adjusted by region. Fee data by geographic regions was used to determine area adjustments by zip code. A weighted average based on 2012 incidence by zip code was used to map zip codes to defined regions.

Loss ratios are expected to be consistent over time. As a result, there are no lapse assumptions.

P. Actuarial Certification

I, Thomas J. Leibowitz, FSA, MAAA, am a member of the American Academy of Actuaries, and meet the Academy Qualification Standard for rendering this Opinion.

I have reviewed the actuarial assumptions and methods on which the rates and actuarial values are based. I hereby certify that to the best of my knowledge and judgment, this rate filing is in compliance with the applicable laws and regulations of the state of Colorado and complies with Actuarial Standard of Practice No. 8. The rates shown are

- Based on actuarially sound principles
- Are not inadequate, excessive or unfairly discriminatory, and

• Are reasonable in relation to the benefits provided.

RESPONSE MEMORANDUM

Dentegra Insurance Company
State of Colorado
July 17, 2013

Form Numbers OPGC-CO-DIC, OXGC-CO-DIC

Please accept the following in response to your July 15, 2013 objection letter on the above forms.

1. **You indicate that you are building in 3.5% premium retention to cover the Exchange User Fee, and note FFM guidance. In Colorado, which is a State Based Exchange, the COHBE Exchange User Fee is 1.4%. Please clarify.**

   The actuarial memorandums have been revised to show 1.4% Exchange User Fee.

   Please verify that the 2.0% PPACA Fee load is for the Health Insurer Fee. Please show how the 2.0% was developed.

   Dentegra has relied upon analysis from Oliver Wyman in the development of the 2% PPACA tax allocation. Based on these reviews, for-profit entities are assumed to have a 2% PPACA tax, and not-for-profit entities are assumed to be half of the for-profit as disclosed in the PPACA Act.

   Please clarify what state the 2.5% premium tax applies to, in Colorado Issuers are typically at 2.0% premium tax.

   The actuarial memorandums have been revised to show 2.0% the premium tax.

   Please clarify what the $0.18 pmpm User Fee in Administrative Expenses is for.

   Regulation HB 1245 indicates lives insured under dental plans will have user fees that must not exceed $0.18 PMPM.

2. **Please provide the actuarial analysis for how area factors were set.**
   Note that Mineral County is now defined to be in area 10 under the Colorado area definitions.

   Please consider the following information requested proprietary and confidential, and we are requesting that this be considered under the Vaughn Index.

   Identification of Documents: "CO Area Factor Calculation data and justification 2013 07 17 CONFIDENTIAL.xlsx"

   Statutory Law requesting exemption of: Applicable Colorado State Insurance Laws regarding disclosure of information for rate filings

   Reason for how disclosure may damage the interests of Delta Dental: This information provides sufficient information to determine Delta market share by Zipcode or by county. In addition, this information provides the area factors used to develop the differentials between regions. Should this be acquired by our competitors, our competitors may be able to exploit the area factors and game the market.

   The Manual Rate Exhibit IV has been revised.

DENTEGRA Insurance Company

3. Please provide the actuarial value calculations for the pediatric dental High and pediatric dental Low plans. Indicate the method and tools/data used to calculate AVs.

A baseline actuarial value was developed using national child utilization patterns, national average approved amounts, EHB list of covered procedures, and assumed coverage levels. Per member per month base rate was calculated using the manual rate formula and the same coverage assumptions used to calculate baseline actuarial value. Total per member per month cost was determined by dividing the base rate by the baseline actuarial value. Factors for the various cost sharing elements were applied to determine final actuarial value.

The actuarial value for the pediatric low dental plan is 71.8% and pediatric dental high plan is 84.2%. Both meet the +/- 2% requirement from the standard 70% (low) and 85% (high).

	% of Total Cost	Pediatric High	Pediatric Low
D & P	48%	100%	100%
Basic	27%	80%	50%
Major	24%	50%	50%

Experience Period:	From 01/01/2010 to 12/31/2012
Additional Information:	Pharmacy claims data or an applicable plan, see above

M. Side-by-Side Comparison

Not applicable since this is a new plan offering.

N. Benefits Ratio Projections

PROJECTED EXPERIENCE FOR RATING PERIOD (SMALL GROUP)

	Premiums	Incurred Claims	Benefits Ratio
Projected Experience Without Rate Change	$32,532.78	$20,380.74	67.29% (high), 69.90% (low)
Projected Experience With Rate Change	Not applicable		

Above projections include: Colorado

O. Other Factors

Manual rates are adjusted by region. Fee data by geographic regions was used to determine area adjustments by zip code. A weighted average based on 2012 incidence by zip code was used to map zip codes to defined regions.

Loss ratios are expected to be consistent over time. As a result, there are no lapse assumptions.

(See Supporting Documentation)

P. Actuarial Certification

I, Thomas J. Leibowitz, FSA, MAAA, am a member of the American Academy of Actuaries, and meet the Academy Qualification Standard for rendering this Opinion.

I have reviewed the actuarial assumptions and methods on which the rates and actuarial values are based. I hereby certify that to the best of my knowledge and judgment, this rate filing is in compliance with the applicable laws and regulations of the state of Colorado and complies with Actuarial Standard of Practice No. 8. The rates shown are

- Based on actuarially sound principles
- Are not inadequate, excessive or unfairly discriminatory, and
- Are reasonable in relation to the benefits provided.

Above data is for:	Comparable Product, National
Experience Period:	From 01/01/2010 to 12/31/2012
Additional Information:	Pharmacy claims data or an applicable plan, see above

M. Side-by-Side Comparison

Not applicable since this is a new plan offering.

N. Benefits Ratio Projections

PROJECTED EXPERIENCE FOR RATING PERIOD (SMALL GROUP)

	Premiums	Incurred Claims	Benefits Ratio
Projected Experience Without Rate Change	$32,532.78	$20,380.74	64.58% (high), 67.19% (low)
Projected Experience With Rate Change	Not applicable		

Above projections include: Colorado

O. Other Factors

Manual rates are adjusted by region. Fee data by geographic regions was used to determine area adjustments by zip code. A weighted average based on 2012 incidence by zip code was used to map zip codes to defined regions.

Loss ratios are expected to be consistent over time. As a result, there are no lapse assumptions.

(See Supporting Documentation)

P. Actuarial Certification

I, Thomas J. Leibowitz, FSA, MAAA, am a member of the American Academy of Actuaries, and meet the Academy Qualification Standard for rendering this Opinion.

I have reviewed the actuarial assumptions and methods on which the rates and actuarial values are based. I hereby certify that to the best of my knowledge and judgment, this rate filing is in compliance with the applicable laws and regulations of the state of Colorado and complies with Actuarial Standard of Practice No. 8. The rates shown are

- Based on actuarially sound principles
- Are not inadequate, excessive or unfairly discriminatory, and
- Are reasonable in relation to the benefits provided.

P. Actuarial Certification

I, Thomas J. Leibowitz, FSA, MAAA, am a member of the American Academy of Actuaries, and meet the Academy Qualification Standard for rendering this Opinion.

I have reviewed the actuarial assumptions and methods on which the rates and actuarial values are based. I hereby certify that to the best of my knowledge and judgment, this rate filing is in compliance with the applicable laws and regulations of the state of Colorado and complies with Actuarial Standard of Practice No. 8. The rates shown are

- Based on actuarially sound principles
- Are not inadequate, excessive or unfairly discriminatory, and
- Are reasonable in relation to the benefits provided.
