Request an Inspection through the on-line Permit System

Instructions to Scheduling an Inspection Using the On-line Permit System

- 1) Go to the Online Permit System located on the State Website:
 - Electrical Board @ www.dora.colorado.gov/professions/electrical.
 - Plumbing Board @ www.dora.colorado.gov/professions/plumbing.
- 2) Log-in as a **Returning Customer** using your *Customer ID* and *Password*
- 3) Find the **permit number** (located here) and press the link below the number labeled: **Request Inspection.** Follow the directions.

4) The inspector will be notified that you have requested an inspection. Your inspector will schedule an inspection at the earliest opportunity.
